ON LICENSE 050025373

REF: BLUE LANTERN GUIDEBOOK 2006

[¶1.](#) This is an Action Request. See paragraphs 2-4.

[¶2.](#) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a post-shipment end-use check on license number 050025373 for the export of International Traffic in Arms (ITAR)-controlled defense hardware to South Korea. Post is requested to complete this Blue Lantern inquiry within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

[¶3.](#) Reason for request: To verify the bona fides of Foreign Consignee Bosung Industry Co. Ltd. in the licensed transaction; no documentation from End-user was submitted with the License application.

[¶4.](#) Action: The Department requests that Post make inquiries to verify that Foreign Consignee Bosung Industry Co. Ltd. entered into a contract with the United States Government to procure USML items required to repair the AN/USQ-70. Conduct a site visit in order to assess the company's operations, reliability, and on-site security. Determine whether the company is a responsible recipient of United States Munitions List (USML) items, and emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited. Department further requests that Post determine whether or not the U.S. Army 2nd Infantry Division received the USML items and that they are being used for the purpose stated on the license. End Action Request.

(COMMENT: According to U.S. export data, the USML items were shipped in full to Bosung Industry Co. Ltd. on 28 December [¶2006.](#) END COMMENT.)
